- ❖ Total 03 students have participated in Business 3.0 on 18th January 2023.

Sweet Words from Family

Hello everyone! First of all, I can say that it's not feels like a department it's always feels like a **family** to me & family means everything. When I was new in college its very difficult to set with everyone but as the time gone, I enjoyed the atmosphere of college. After joining IC, I realized that I learned **life lessons** given by Dr. Jigar Sir more than Petrochemicals, I learned **discipline** given by Dr. Mandar Karve Sir more than that curved graph, I learned **how to understand chemistry** instead of learning chemistry through Dr. Rohit Dave Sir, I learned **how to Enjoy the classes & to read about other things which are happing into the world** in Dr. Arunabh Mishra Sir's lectures instead of just sitting in lectures. Thank you so much to Teaching And Non-Teaching Faculty for giving me the chance to be a part of IC family.

Agrawal Siddhant P.
Batch 2019-2021
Handling Production &
Sales at Maruti Dyestuff
